Dear Admiral Turner,

As always, your thoughtfulness and recall never ceases to astound me. Your note was deeply appreciated. Our areas of responsibility have changed somewhat since our last meeting, but not the basis of our association; should the occasion demand you have a strong supporter and friend here.

If, during your visits to this area, you feel the need to have a little peace and quiet, Judy and I would love to have you visit us. Our best to you.

Very Respectfully,

M. E. TAUNT
